Dear Brother Bishops,

I am happy to inform you that the Ad Hoc Committee for the Defense of Marriage now has a Web page that is up and running on the USCCB Web site:

<http://www.usccb.org/defenseofmarriage/>.

This new site will serve as a base for the Ad Hoc Committee's presence on the Web, and I hope it will prove helpful in providing resources and updates concerning our work to promote and protect marriage as the union of one man and one woman. It will be complemented in the spring with the addition of the "Marriage: Unique for a Reason" site, which will include videos and other resources.

I am grateful to the USCCB Office of Digital Media for their assistance in designing and maintaining the site. If you come across any materials or resources that might be suitable for the Web site, the Committee is certainly grateful.

God bless you and your continued witness to the unique truth and beauty of marriage.

Fraternally yours in Christ,

Archbishop Joseph E. Kurtz
Archbishop of Louisville
Chairman, Ad Hoc Committee for the Defense of Marriage
