I hereby petition for a rescript of radical sanation of the above referenced marriage. This request is being made with the agreement of one or both of the parties of the marriage with the understanding that the sanation will confer retroactive canonical validity on the marriage, with the original consent of both parties perduring and with both parties intending to persevere in conjugal life.

The grave cause that suggests the need for a radical sanation is (*check all that apply*):

Refusal of a non-Catholic party to participate in a Catholic marriage ceremony and desire of the Catholic party to return to the reception of the sacraments

Firm belief of non-Catholic party that the present civil marriage is valid and the subsequent risk of total simulation of marriage if a new ceremony is celebrated, and respect for the conscience of non-Catholic party
