

## **Field Trip Transportation Policy**

Commercial carrier or contracted transportation is the most desirable method to be used for field trips and, whenever possible, this mode of transportation should be provided. The use of private passenger vehicles is discouraged and should be avoided if at all possible. If commercial carriers are used (i.e. commercial airlines, trains, or buses), no further information is required. However, if transportation is contracted, signed contracts should be executed with an appropriate hold harmless agreement protecting the parish/school and the Diocese. Also, contracted carriers should provide proof of insurance with minimum limits of liability of \$2,000,000 CSL (Combined Single Limit).

### ***Leased Vehicles***

If a vehicle is leased, rented, or borrowed to transport participants to and from the event, appropriate insurance should be obtained. Coverage can be purchased through the rental company or your local agent. If auto coverage is provided through Catholic Mutual, contact should be made with your Member Services Representative.

**COVERAGE CANNOT BE AUTOMATICALLY ASSUMED FOR LEASED, RENTED, OR BORROWED VEHICLES.**

### **Private Passenger Vehicles**

If a private passenger vehicle must be used, then the following information must be supplied and this information must be certified by the driver in question.

1. The driver must be 21 years of age or older.
2. The driver must have a valid, non-probationary driver's license and no physical disability that could in any way impair his/her ability to drive the vehicle safely.
3. The vehicle must have a valid and current registration and valid and current license plates.
4. The vehicle must be insured for the following minimum limits: \$100,000 per person/\$300,000 per occurrence.

A signed **Driver Information Sheet** for each driver must be obtained prior to the field trip.

Each driver and/or chaperon should be given a copy of the approved itinerary including the route to be followed and a summary of his/her responsibilities.

### **Distance Limitations** (For non-contracted transportation)

1. Daily maximum miles driven should not exceed 500 miles per vehicle.
2. Maximum number of consecutive miles driven should not exceed 250 miles per driver without at least a 30 minute break.
