Echoes of Faith®

BASIC OVERVIEW

- A **basic online formation program** for catechists and Catholic School teachers, produced by RCL Benziger and is developed in partnership with NCCL.
- Addresses the **three dimensions of formation** (cf GDC 238) in every module of learning: (1) Being: Who Am I? (2) Knowing: What do I teach? (3) Savoir-faire: How do I teach?
- Utilizes an online learning environment to **support** diocesan certification with custom tracking, to **equip** parish training with anytime solutions, and to **empower** individual learners to become **confident, competent, and creative catechists**.
- A **Christo-centric approach** to forming believers into a community of disciples. So as catechists at their local level, they can be evangelizers in the world. This is at the heart of the new Emmaus Learning Design.
