

## Purpose: How to use Zoom Conference

The purpose of this guide is to help you stay in touch and create relational power during our current public health crisis. Below you will find step-by-step instructions on how to use Zoom, a video conference platform. The OYYAM will be using this platform for the foreseeable future as a main way of staying connected.

- You do not need a Zoom account to be invited or to participate in a meeting.
- You need an account if you are hosting or starting the meeting.
- A basic account you will be able to host 40 min meetings for free. At this time dial in phone conferencing may be limited for basic accounts.
- You can purchase the \$15 pro package if you need to host longer meeting times and want a dial in option.

### Hosting a Zoom Meeting

1. Create a Zoom account if you would like to start the meeting.
  - Create a free Zoom account by visiting: <https://zoom.us/signup>.
  - Select “Basic” account type when creating your Zoom account
2. After you created your Zoom account, go to your profile homepage.
  - a. Select “Schedule a Meeting.” This button is located on the top right corner of your profile

The screenshot shows the Zoom user profile page for Marta Gonzalez. The top navigation bar includes the Zoom logo and links for SOLUTIONS, PLANS & PRICING, CONTACT SALES, and a circled "SCHEDULE A MEETING" button. The left sidebar lists options under PERSONAL (Profile, Meetings, Webinars, Recordings, Settings) and ADMIN (User Management, Room Management, Account Management, Advanced). The main content area displays the user's profile information:
