

**"I AM THE  
GOOD SHEPHERD**

...and I know my sheep and mine  
know me." Jesus is calling us to a  
deep and intimate relationship, in  
which we know and hear his voice,  
and this is reciprocal.

## CATECHIST RETREAT 2023

**Why go on retreat? As catechists, it is important to take time to reflect upon, refresh, and renew our call to ministry.**

**Join us as we reflect upon Jesus, the Good Shepherd, who calls us by name; refresh ourselves in the joyful company of fellow catechists; and renew our catechetical approach to teaching about the Sacrament of Eucharist.**

**Our day will be filled with Sacred Scripture, peaceful silence, artful calligraphy, and practical, new ways to teach children/parents about the Eucharist.**
