

## MAUI STEWARDSHIP DAY EVALUATION

March 4, 2023

	Strongly Agree	Agree	Disagree
Registration was smooth.			
Publicity was sufficient.			
The event was well organized.			
The food was just right. (snacks, lunch, and drinks)			
The information provided in the folder was helpful.			
I know what the 4 pillars of stewardship are.			
I understand the importance of hospitality in the parish setting.			
I came away with tips on how to improve hospitality in the Parish.			
I understand the importance of being formed in the Faith.			
I have examples of how some Parishes do Faith Formation.			
I understand that Service can become a “way of life” when imbedded in our culture.			
I understand that service can guide us to focus on Prayer as the center of everything.			
Thank you for joining us today. If you have ideas for future Stewardship Day topics, please write it on the back. Have a blessed Lenten Season. <span style="float: right;"><i>From ~ The Maui Stewardship Committee</i></span>
