“The Eucharist, Forgiveness, and Faith”

Many wonder why we ask for the intercession of the Saints. Presenter Michael Edwards, director of youth and young adult ministry in the Diocese of Salt Lake City, explores this important question by reflecting on the lives of three remarkable young Saints: Blessed Carlo Acutis, Saint Maria Goretti, and Saint José Sánchez del Río. Through their powerful examples, we'll learn about the Eucharist, forgiveness, and unwavering faith. Even by embracing just a small part of their witness, we can enrich our own worship and draw closer to God.
